

NATIONAL POLICE SHOOTING CHAMPIONSHIPS

LAW ENFORCEMENT EQUIPMENT EXPO

Albuquerque, New Mexico

Monday September 24th through Wednesday September 26th, 2018

The annual NRA National Police Shooting Championships will take place in Albuquerque, New Mexico at the city's Shooting Range Park in September of 2018. Known by many as NPSC or the Police Nationals, this three-day international shooting championship attracts law enforcement officers and armed security professionals representing local, state, and federal agencies from across the United States and from numerous countries around the world.

As part of the annual Championship we host a Law Enforcement Equipment Exposition so the state's law enforcement agencies and law enforcement competitors can meet local and national law enforcement equipment and firearm manufactures and see their latest products.

While the Expo began as a place for competitive shooting event sponsors to meet competitors it has expanded to a full law enforcement product show.

Vendors of all types of law enforcement related products and services can meet representatives from the state's law enforcement agencies, ranging from Chiefs and Sheriffs, to ranking administrators, to procurement officers, tactical team officers, firearm instructors, and those who recommend or approve law enforcement product purchases within their agency.

While program sponsors still receive priority for booth spaces, we offer a number of spaces to other vendors. If you would like to take part in this unique opportunity please submit the Exhibitor Registration Form on the next page or contact the NRA Law Enforcement Division for more information.
